

AWEA Arena Hire Policy for Coaches

This policy is for coaches that conduct clinics regularly at AWEA and need to hire an arena to conduct their activities. It has descending scale of charges to encourage and assist coaches and riders to participate in regular clinics.

Instructors will pay day rate of \$125 for half arena hire. In the case of six or more clinic days in a calendar year, the next six will be charged at \$100 per half arena hire per day, with the remainder for the year capped at \$75. If booking on weekend, a half day gratis bump-in is permitted. Coaches and riders are required to be AWEA members to be eligible for this policy to apply. Any equipment used will be hired at the normal scheduled AWEA rates for the duration of the clinic.
